

# urban roots

## Junior Educator

### Position Description

The Junior educator Program at Urban roots is an opportunity for teens between the ages of 15-17 to gain valuable job experience in outdoor education and sustainable agriculture. Learn from experts in outdoor education to improve your leadership skills and build your resume for your future career!

Urban Roots' mission is to grow healthy minds, bodies, and communities through place-based and seed-to-table education. Urban Roots is dedicated to changing the way communities eat and learn. We are the leading provider of garden education in northern Nevada for children and adults. From gardening programs in local schools to teacher workshops, volunteer training, and summer camp, Urban Roots is committed to helping people make the important connections between food, health, and their environment.

### Timeline

- Tuesday, June 13<sup>th</sup>, 2023 – Friday, August 4<sup>th</sup>, 2023 (8 weeks of camp)
- Applicants may choose to work 1 week or up to all 8 weeks of camp (partial weeks also available)
- Available between 7:30am – 2:15 pm Monday – Friday

### Qualifications

- Positive attitude;
- Passion for the Urban Roots' mission and/or STEM education;
- Strong interest in working with kids in the outdoors;
- Strong teamwork and leadership skills;
- Able to lead activities in all weather conditions outdoors.

### Responsibilities include, but are not limited to:

- Provide a safe, fun, learning environment for children ages 5-10.
- Lead camp-wide morning welcome circle.
- Plan and co-lead daily garden activities.
- Assist with group snack time, farm chores, art projects, and science lessons.

### Compensation

- \$50-\$100 per week, depending on experience
- Free produce & eggs
- PPE provided (sunscreen, masks, covid tests if needed)
- Urban Roots hats, shirts, and veggie tattoos
- Kid laughs, vitamin D, and an amazing summer!!
